## ProfitFab® Lite

Empowering small business to manage and coordinate their daily operations and customer interactions.

**ProfitFab® Lite** software will help you put an end to the daily struggle you and your employees go through to maintain your desired level of PROFIT while attending to the continuously changing demands of your customers. ProfitFab Plus' unique design offers your company the ability to easily implement and streamline your daily operations - from Estimating to Invoicing - allowing you to quickly gain complete control of your business.

Our software solutions include an Enterprise Resource Planning package with Quoting, Estimating, Order Entry, Job Tracking, Inventory Control, and Customizable Reporting for the Sheet Metal, Plastics, Machine Shop, and other OEM and Make-to-Order Manufacturers.

ProfitFab Lite is the perfect solution for both seasoned shops and new shops alike. It is fully compatible with our ProfitFab ERP so that the software can grow as you grow. When you are ready to grow, *your full purchase price for ProfitFab Lite is credited toward your purchase of ProfitFab ERP.*

**ProfitFab® Lite** is more than just a Quoting package. It is the most complete and accessible port of entry into the world of Enterprise Resource Planning. It is fully network compatible and will help you streamline and manage your daily manufacturing operations.

ProfitFab is the Most Affordable, Reliable, & Supported ERP Program On The Market.  
Let Us Help You Gain Control Of Your Shop.
